This ENROLLMENT AGREEMENT ("Agreement") dated this \_\_\_\_ day of \_\_\_\_\_, 2020 is made and entered into by and between \_\_\_\_\_ and \_\_\_\_\_ individuals ("Parents"), and The Eastern Ridge School ("ERS"), a Virginia non-profit corporation. Parents hereby agree to enroll Child in ERS, according to the payment and school policies contained therein, which shall be deemed to be an integral part of this Agreement.

About Eastern Ridge: The Eastern Ridge School offers a holistic and resource-rich summer camp that promotes relationships, collaboration, and the freedom and support for children to pursue individual interests. The Eastern Ridge School is not affiliated with any particular religious group. We do not discriminate on the basis of race, creed, color, national or ethnic origin. The Eastern Ridge School's summer camps are licensed by the Commonwealth of Virginia Department of Social Services (VDSS) as a Child Day Center.

Eastern Ridge School office hours are Monday – Friday, 8:00 a.m. – 5:00 p.m. Parents may contact Eastern Ridge staff during office hours at 703-757-7900. Parents will also be provided an email and cell number for a staff contact for urgent "day-of" needs. The Eastern Ridge School has an "open door" policy. Parents may visit or pick up Child at any time.

### Enrollment Form Requirements

This Enrollment Agreement and all forms listed under the "Other Forms" heading must be completed and signed by all custodial parents, and proof of identification as described under the "Child Identification" heading must be provided. *Forms will be provided via Email after enrollment form and deposit is received.* No child may attend ERS for any period of time if these forms have not been completed, signed and turned in to the school office. ERS is required by state law to exclude any child from care until initial or updated forms are submitted. It is ERS policy that all of this paperwork be received no later than 2 business days prior to a child's first day of matriculation. No credits or refunds will be given for missed days due to late submission of forms. It is the sole responsibility of the Parents to provide these forms prior to enrollment, and to update them periodically as needed to maintain accuracy.

Parents acknowledge that it is solely their responsibility to ensure that any family members, household employees (such as nannies or au pairs), or any other caregiver designated by Parents in writing to care for Child are in compliance with all of the terms of this Agreement, if Parents designate such individuals to drop off, pick up or to care for Child.

### Other Forms

Parents agree to complete in entirety all of the following enrollment paperwork and to update it as needed:

- Child Record Part A – Child Information Form
- Child Record Part B – Family Information Form
- Child Record Part C – Emergency Information Form
- Provisions of the Emergency Preparedness and Response Plan
- Liability Waiver and Indemnification
- Policy for the Administration of Medication

- An Allergy Action Plan, if your child is identified as having a food or bee sting allergy
- Commonwealth of Virginia School Entrance Health Form
  - Parents agree to provide the completed Commonwealth of Virginia School Entrance Health Form for Child.
  - Parents understand that Child must be adequately immunized prior to admission and must receive additional immunizations as required by state law.
  - Parents understand that the immunizations form (or the necessary documentation of medical or religious exemption from these requirements) is required by the Commonwealth of Virginia and that ERS is required by state law to exclude any child from care until Parents have provided initial or updated immunization records (or exemption).
  - Parents understand the immunization records must be provided on the current form approved by the Virginia Department of Health or on a physician's form signed or stamped by a physician or his/her designee, registered nurse or health department official. Out-of-state records are acceptable if they contain the exact date (day/month/year) of administration of the required doses, are signed as noted in the previous sentence and contain records of all of the immunizations required by the current Virginia Department of Health form.

### **Logistics and Policies**

**Arrivals:** Camp starts at 8:30, with a drop off window of 8:20-8:45 am, for those not enrolled in Before-Care. Parents must depart the property no later than 8:45 a.m. Parents and caregivers must hold children's hands in the driveway or parking areas. All children must be in physical and visual contact with an adult until they are fully inside the building or gated area. Eastern Ridge staff will not take responsibility for children before their scheduled arrival time window. Parents or caregivers must have visual and vocal contact with a staff person at drop off and complete all sections of the daily sign in sheet each day.

**Departure:** 3:00 pm for children not staying for aftercare. The departure window is 2:55-3:15 pm. Plan to arrive promptly so that you have time to meet your child, gather his or her belongings, sign out and depart the property by 3:15 pm. Late pickups will be charged per payment policies. At departure, please depart the property entirely. This includes the driveways and the outdoor areas. Again, parents and caregivers must hold children's hands at all times in the parking lot and complete all sections of the daily sign out sheet each day. Alternate people picking up child must be listed on the Emergency Contact form as authorized to pick up the child. Staff will require government issued proof of identification for any person they do not personally recognize and know.

**Attendance and Schedule Changes:** If Child will be absent from camp for any reason, Parents must send an email to [scheduling@easternridgeschool.org](mailto:scheduling@easternridgeschool.org).

Gear: Each Child should have:

- A backpack, properly sized for Child; no characters of any type
- A wide-brimmed sun hat
- A Klean Kanteen or similar stainless steel water bottle (12 – 18 oz) with a sports top
- Wet & Dry Packs (or Large Ziplock bags) for dirty/wet and replacement clothes
- An oversized Rain Slicker or all-in-one rainsuit
- Rain Boots
- A roll-up Nap Mat that is large enough for your child, has a cushioned bottom layer and attached pillows and blankets; character free.

Clothing:

- Children's clothing should be something that can get dirty, painted or even "ruined." It is possible that clothing could become stained, torn, or otherwise damaged. Please do not dress your child in something that you would not want damaged. The same rule applies to outerwear, hats, and shoes too.
- EVERY ITEM MUST BE LABELED WITH CHILD'S NAME
- Crocs, or similar quick-drying shoes that your child can put on themselves.
- Clothing should be simple, lightweight, quick drying, elastic waist and as free of pockets as possible.
- Light weight, flexible, long pants preferred over shorts, as they protect the knees and minimize insect bites.
- Leggings must be worn under dresses or skirts
- No denim or jeans.
- No clothing with commercial characters.
- No tank tops or spaghetti straps.
- No accessories. (No hair bands, barrettes, bows, ribbons, clips, watches, belts, scarves, etc) If these do come to camp, your child will be asked to keep it in their backpack and we will not be held responsible for lost or damaged items.

Discipline: All young children need assistance with social skills—this is a normal and important part of development. The Eastern Ridge School camp program uses clear boundaries, patience, respect, time, choices, redirection, repetition, positive, consistent role modeling and guidance, and helping children practice resolving their own conflicts as our main tools help children develop self-control, self-esteem and respect for others. Corporal punishment is prohibited, and we also do not routinely use "time outs." Occasionally, if a child is having a difficult time and engaging in repeated behaviors that are hurtful, a safety risk, or disruptive to others, the child will be asked to accompany a teacher or assistant, or work quietly and independently within eyesight and earshot with a book or a different project for a few minutes. This "time away" from the group is not punitive, but rather gives the child space to regain his or her sense of control and provides supportive time away from the problem. If a child's behavior is disruptive to the learning environment or poses a safety risk to his/herself or others that cannot be managed using the above techniques, the parents will be contacted to take the child home for the remainder of the day. There are no refunds or discounts if a child is asked to go home for the day.

Children with Special Needs: Parents must provide any reports and documentation of any conditions that may affect their child's ability to participate in camp. Children are expected to work in a social constructivist community and participate in group project work. We do not have the appropriate staff to serve students who require a high level of individual instruction, remain unable to control their impulses, or who present ongoing behavioral problems.

Animals: The Eastern Ridge School often hosts various species of animals living in appropriate indoor and outdoor habitats or structures. If adults/teachers handle animals when children are present, appropriate safety measures are followed. If children handle animals, adult supervision, care, hygiene and hand washing are employed. As a nature-based program, we spend a great deal of time outdoors, and do sometimes encounter animals such as amphibians, birds, reptiles, insects and small mammals in their natural habitats. There is increased risk of injury when exploring outdoor settings, including the risk of exposure to insects such as wasps, ticks, mosquitoes, and black widow spiders. Parents can decrease the risk of some injuries by ensuring that children are dressed appropriately for outdoor experiences.

## Health Requirements

- Parents agree to provide the completed Commonwealth of Virginia Physical Exam Form for Child and understand that Child must be adequately immunized prior to admission or provide a medical or religious exemption.
- Parents agree to pick up or arrange to have Child picked up immediately if Child exhibits symptoms of a communicable disease; has an oral temperature of 101<sup>o</sup> F/ axillary temperature of 100<sup>o</sup> F or greater; is vomiting or has diarrhea.
- Parents authorize Eastern Ridge to obtain immediate medical care for Child in an emergency if Parents cannot be located immediately.
- Parents understand that pursuant to §63.2-1509 of the Code of Virginia, all Eastern Ridge Staff, Board of Directors and volunteers are by law “mandated reporters” who are required to report instances of suspected child abuse and neglect to the local Social Services Department or to the Department of Social Services as soon as possible, but not longer than 24 hours after having reason to suspect any reportable offense of child abuse or neglect.

First Aid: There is always a staff member present who is trained in American Heart Association First Aid and CPR. Complete First Aid kits are located on each floor and outdoors. Counselors carry First Aid materials during outdoor activities away from the main building.

Injuries During School Hours: A member of the staff will treat minor injuries. If necessary, the Parent will be called at the time of treatment or talked to at pick-up. In case of a life-threatening or other serious emergency, calling 911 is always our first step. As soon as practical, Parents will be notified. For lesser, but still significant injuries, parents will be called, texted or emailed promptly. For minor scrapes and events requiring only light first aid or TLC, the teachers will administer the aid and the parent will be notified and given a detailed injury report to sign at pick-up.

Ticks: Check your child for ticks at the end of the day. This can be a routine that you do with your child while he/she is taking a bath or getting ready for bed. Deer ticks are very small, but can be noticed on light clothing. If you do find a tick after being at school and are unsure if it is a deer tick, you may want to take the tick to your doctor for identification.

Medication Administration/Pottyng : Medication is dispensed at Eastern Ridge only if the following conditions are met:

- A school provided “Authorization to Administer Medication Form” must be completed and signed by the parent.
- All medications must be in their original containers and marked with an expiration date indicating that it is current.
- All medications must be labeled with child’s name.
- If Child requires administration of an asthma inhaler at camp, you must have a completed Asthma Action plan on file before Medication can be accepted.
- If you have identified your child as having a food or bee sting allergy, you must also submit an Allergy Action Plan, completed by you and your physician.
- If authorized, The Eastern Ridge School will apply diaper cream when a child has a visible rash in the diaper area. ***Due to our school philosophy and view of the child, any child that is potty-learning should attend wearing disposable training pants - “pull-ups”. Diapers are not utilized.***

Emergency Procedures: The Eastern Ridge School staff are trained in emergency procedures and required to practice fire drills and emergency evacuation and shelter in place drills on a regular basis, including twice a month during camp season.

Liability Insurance: The Eastern Ridge School has liability coverage up to \$1,000,000 per incident; \$2,000,000 aggregate.

Notification Requirements: Eastern Ridge is required to notify parents in the following situations and according to the following guidelines:

- Daily regarding issues concerning Child’s health, development or needs.
- When persistent behavioral or adjustment problems are identified. Such notification shall include any behavior management steps taken at school or home in response. If problems are identified, parents agree to work in cooperation with Eastern Ridge staff and outside consultants, as needed, to meet the needs and best interests of both the Child and the community.
- If severe behavioral problems (e.g. injuring or abusing another child, teacher, or other staff or community member) occur, and such notification may include suspension or expulsion at the Program Director’s determination.
- Immediately when the child:
  - Has a head injury or any serious injury that requires emergency medical or dental treatment;
  - Has an adverse reaction to medication administered;
  - Has been administered medication incorrectly;
  - Is lost or missing; or
  - Has died.
- The same day whenever first aid is administered to the child.

- Within 24 hours or the next business day of Eastern Ridge having been informed, unless forbidden by law, when a child has been exposed to a communicable disease listed in the Department of Health's current communicable disease chart. Life-threatening diseases must be reported to parents immediately. Eastern Ridge shall consult the local health department if there is a question about the communicability of a disease.
- In writing, whenever there are changes to Eastern Ridge's Emergency Preparedness and Response Plan.
- Whenever the child will be taken off Eastern Ridge premises, before such occasion (except in emergency evacuation or relocation situations).
- As soon as possible of the child's whereabouts if an emergency evacuation or relocation is necessary.
